The climate emergency is worsening, but we have an opportunity NOW to create a liveable future for our young people.

Let's come together to work out positive things we can do to make a difference here in Alton and its surrounding villages.

# Open Meeting 7pm Monday 20th Jun The Assembly Rooms, GU34 1BA

ACAN's volunteers have achieved much in the last 3 years. But it is not enough, join us to plan the next phase of action.

We want to encourage more people to acknowledge the crisis and find ways to further reduce our contribution to global emissions. By doing so we can secure a better future for families here and around the world.

Many climate campaigners and activists are recognising the need for a grassroots movement of people in small towns everywhere, getting together to change their lifestyles and cut emissions. When enough voters demand serious action on the climate and environmental crisis and show by their actions that they are prepared to change - our governments, at every level, will not be able to ignore us and will be forced to up their game.

Three recent reports from the United Nations (the Intergovernmental Panel on Climate Change) stress the

desperate need for urgent action. The UN Secretary-General describes the situation as "Code red for humanity" and tells us it is "Now or never" if we are going to save lives and livelihoods from the ravages of climate change.

So please come along to an open meeting on Monday 20 June at 7 pm in the Lower Room at Alton Assembly Rooms, GU34 1BA to discuss how, together, we can fight climate change, create a liveable future and persuade our government to get on with the job.

#### No need to book - just turn up

# **Alton Community Share**

# Sat 11th June (closing early at 11:30)

### **Guest appearance by Young ACAN**

Representatives of Young ACAN will be attending this session of the Share so if you want to know more about what they are doing or want to see some climate games and activities please come along

Reduce waste & save money at this free library of jigsaws, games, toys and activities

10am to 12 noon on the 2nd & 4th Saturday of the month at St Lawrence's Parish Centre

#### **Next session Sat 11th June**

Bring your items for repair along to Alton Community Centre from 10:30am to 12:30pm on:

30th Jul, 10th Sep, 22nd Oct, 10th Dec

The repair team will be at your service to assist and advise you on repairs to small household items.

# **Volunteer with ACAN**

We all know we need to act now to protect our environment and community.

Here in ACAN we have a <u>range of groups</u> already set up and many more ideas of things we would like to do if we had more volunteers, and you may have ideas of your own you would like to pursue.

It doesn't matter how much or how little time you can spare we have volunteering opportunities to suit.

To get involved do fill in our <u>volunteers form</u> Or email <u>altonclimatenetwork@gmail.com</u> and let us know what you would like to do.

#### As ACAN has grown so have our costs.

Most grants do not cover running costs, such as insurance, zoom subscription, examination of accounts. If you can help with one off or regular donations please use the button below.

Many thanks.
