Hampshire County Council is asking for our views on their Local Transport Plan 4

[Please do let them know your thoughts.](#)

We in ACAN feel the vision is excellent and shows a real understanding of the environmental issues at stake but the delivery falls far short of the original ambition, especially in rural areas such as ours.

HCC have already watered down the earlier versions after kickback from diehard drivers so the more environmentally aware responses they get the better.

The deadline for HCC's consultation on their LTP4 (Local Transport Plan) is midnight on Sunday 26th June.

To make it easier:

You can look at [ACAN's submission](#) which addresses the various sections of the consultation and gives sample responses which you are welcome to paraphrase in your own response.

[Click here to go direct to the consultation form.](#)

You may want to read the summaries of the different sections produced by our colleagues in WinACC (Winchester Action on Climate Change) who have done all the donkey work of reading through the various documents and provided lots of help on their LTP4 web page:

<https://www.winacc.org.uk/about-us/action-groups/transport/local-transport-plan-4/>

Hampshire County Council have produced a [summary](#) of the LTP4 with lots of pictures and diagrams.

The full report can be found here [HCC LTP4 draft document](#) .

The limit for responses to most of the questions is only 1000 characters, apart from the last "anything else you want to say" section which allows 4000 characters. But you can submit extra sheets along with your response if you cannot fit it in to these boxes

Draft Local Transport Plan 4

Volunteer with ACAN

We all know we need to act now to protect our environment and community.

Here in ACAN we have a [range of groups](#) already set up and many more ideas of things we would like to do if we had more volunteers, and you may have ideas of your own you would like to pursue.

It doesn't matter how much or how little time you can spare we have volunteering opportunities to suit.

To get involved do fill in our [volunteers form](#) Or email altonclimatenetwork@gmail.com and let us know what you would like to do.

As ACAN has grown so have our costs.

Most grants do not cover running costs, such as insurance, zoom subscription, examination of accounts.

If you can help with one off or regular donations please use the button below.

Many thanks.
